Learner Notification

Name of Organization: Society of Abdominal Radiology
Title of Activity: SAR Annual Meeting
Format of Activity (Indicate which apply: Live in Person, Live Webinar, Live Streamed, etc.) Live Annual Meeting
Date of Activity – Start to End: February 16 – 21, 2025
Enduring/On Demand Date of Activity Start to End: N/A
Location: City, State, Country & Specific Location/Hotel: Tucson Starr Pass Hotel & Resort; Tucson, Arizona

Acknowledgement of Financial Commercial Support
No commercial support was received for this educational activity.

Acknowledgement of In-Kind Support
In kind support in the form of (identify materials supplied) was provided by: Siemens, GE, Canon, Philips, Civco

Satisfactory Completion
Learners must complete an evaluation form to receive a certificate of completion. Your chosen sessions must be attended in their entirety. Partial credit for individual sessions is not available. If you are seeking continuing education credit for a specialty not listed below, it is your responsibility to contact your licensing/certification board to determine course eligibility for your licensing/certification requirement.

LEARNING NEEDS
Stated Practice Gap(s)

- Abdominal radiologists lack exposure to new and emerging technologies in the imaging diagnosis of abdominal and pelvic pathology.
- Abdominal radiologists lack additional training on new strategies and updated practice guidelines and data specifically in the field of women's imaging (e.g. gynecologic and obstetrical imaging)
- Abdominal radiologists lack exposure to new approaches to strategies and updated practice guidelines and data in relation to GI and GU imaging.

Learning Needs:

- There is a need to provide education to clinicians on how to identify, diagnose and treat a variety of issues and complications associated with abdominal radiology.
- There is a need to provide clinicians with new approaches, strategies and updated practice guidelines and data to better diagnose and treat abdominal conditions.
- There is a need to provide instruction and access to new and emerging technologies in the imaging diagnosis of abdominal and pelvic pathology.

Expected Results Statement:

- Knowledge: There is a need to provide education to clinicians on how to identify, diagnose and treat a variety of issues and complications associated with abdominal radiology.
- Competence: There is a need to provide clinicians with new approaches, strategies and updated practice guidelines and data to better diagnose and treat abdominal conditions.
- Performance: With the knowledge demonstrated by the invited speakers, attendees will come to understand what is needed by them as clinical practitioners to properly deliver, i.e. perform, their abdominal imaging duties to an enhanced degree.

Learning Objectives:
By participating in this CME activity, learners will be able to:

1. Apply the most up-to-date evidence-based and practical information for imaging diagnosis and intervention in common abdominal and pelvic problems.
2. Implement new and emerging techniques in abdominal and pelvic CT, MR, US, fluoroscopy, and PET.
3. Discuss common problems encountered in performing everyday abdominal and pelvic imaging examinations.

The Society of Abdominal Radiology (SAR) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

SAR designates this **live in person** activity for a maximum of **33.25** *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Planning Committee Disclosures

Elainea N Smith , planner for this educational event, has no relevant financial relationship(s) with ineligible companies to disclose.”
Robert Hartman , planner for this educational event, has no relevant financial relationship(s) with ineligible companies to disclose.”
Gaurav Khatri , planner for this educational event, has no relevant financial relationship(s) with ineligible companies to disclose.”
Neil J. Hansen , planner for this educational event, has no relevant financial relationship(s) with ineligible companies to disclose.”
Samuel Galgano , planner for this educational event, has no relevant financial relationship(s) with ineligible companies to disclose.”
Kimberly Shampain , planner for this educational event, has no relevant financial relationship(s) with ineligible companies to disclose.”
Benjamin Mervak , planner for this educational event, has no relevant financial relationship(s) with ineligible companies to disclose.”

Myra Feldman , planner for this educational event, has no relevant financial relationship(s) with ineligible companies to disclose.”
Christine Onsy Menias, M.D. , planner for this educational event, has no relevant financial relationship(s) with ineligible companies to disclose.”
Mishal Mendiratta-Lala , planner for this educational event, has no relevant financial relationship(s) with ineligible companies to disclose.”
Neil Hansen , planner for this educational event, has no relevant financial relationship(s) with ineligible companies to disclose.”
Katherine Maturen , planner for this educational event, has no relevant financial relationship(s) with ineligible companies to disclose.”
Mahmoud Al-Hawary , planner for this educational event, has no relevant financial relationship(s) with ineligible companies to disclose.”
Erik Soloff , planner for this educational event, has no relevant financial relationship(s) with ineligible companies to disclose.”
Priyanka Jha , planner for this educational event, has no relevant financial relationship(s) with ineligible companies to disclose.”
Samuel Galgano , planner for this educational event, has no relevant financial relationship(s) with ineligible companies to disclose.”
Andrei S Purysko, planner for this educational event, has received Research Support from Lathes.
Frank Miller, planner for this educational event, is a Consultant for Bayer Health Care.
Alessandro Furlan, planner for this educational event, is a Speaker for Bracco Diagnostics, Inc.
Andrei S Purysko, planner for this educational event, has received Research Support from Lantheus.
Avinash Kambadakone, planner for this educational event, has received a research grant from GE Healthcare.
Atul Shinagare, planner for this educational event, is a Consultant for Virtualscopics.
Sherry Wang, planner for this educational event, is on the Advisory Board for Bracco.
Bari Dane, planner for this educational event, is a Speaker for Siemens Healthineers.

All of the relevant financial relationships listed for these individuals have been mitigated.

Faculty and Moderator Disclosures
